Good Afternoon Mr. Stoker,
I am sorry it has taken us so long to get back to you. Regarding the BBQ set, we can ship it to you. I will need to get an address to the location of where you would like it shipped, so I can get you a total. We will need payment prior to shipping, unfortunately, we can not take credit card payments over the phone, you can pay by check or money order.

Deborah

Anita,

It was a pleasure to have met you Tuesday. Amy and I really enjoyed meeting everyone and having the dialogue. On a different note I wanted to know if there is a website where you can purchase the BBQ set you had downstairs in the reception area? I would have bought it

ED_005610A_00007553-00002

there but I was all carry on and I think TSA would have given me very interesting looks had I tried to bring it as carry on. Anyway I am a BBQ and loved that set and need a new one so thought I'd ask just in case there was a way to order it where it could be shipped.

Thanks again for everything Tuesday. I look forward to enhancing the good working relationship between the Arizona Department of Agriculture and Region 9 of the EPA.
